

## Safeguarding FAQ's

### **Will I get my new coach/leaders license without the UKA online safeguarding course?**

From the 1st April 2019, all coaches are required to complete a short online Safeguarding course. The course has been produced in partnership with Educare and is bespoke to athletics, UKA Governance and Home Country legislation.

This training is mandatory for all licenced coaches and must be completed before a licence will be renewed. For information and booking please use this link:

### **How often do I need to renew this safeguarding course?**

This will need to be renewed every 3 years.

### **I did my qualification before 1<sup>st</sup> April 2019; do I still need to complete the online safeguarding course?**

Coaches entering the coaching pathway at CA or LiRF who completed the course before 1<sup>st</sup> April 2019 do not need to complete the Safeguarding course to receive their licence. They will complete the course in three years when they renew along with the DBS.

### **What if my DBS is after approved after 1<sup>st</sup> April 2019?**

If your DBS gets approved and updated on the system after 1<sup>st</sup> April 2019 you do not need to complete the Safeguarding course.
